

Andrew Schulhof, Contributing Author, Instructor & Program Coordinator

Mr. Schulhof obtained his Realtor license in Vancouver in 1995, Property management designation level in 1999, managing broker's license in 2000. Andrew has owned and operated 2 successful brokerages for 15+ years.

Andrew's specialty has been investment real estate and project marketing since 1994 with conservatively valued cumulative sales of over 900 million CDN\$. He delivers a proven turnkey system for Real Estate Investors and is revered for delivering well beyond traditional serves.

As a leading educator, Andrew has taught key concepts of real estate investing to thousands in Canada and the US.

Before real estate, Andrew managed a large retail/institutional business. With his background in accounting, he received an accolade for his investigative work on a major account that saved his employer over \$600K on a single transaction.

Amongst the causes he supports, the two closest to his heart are the Sarah McLachlan School of Music and Worldvision where he sponsors children and has volunteered abroad teaching English.
